LEAP for Education and the Lynn Public Schools are partnering to create an after-school teen program, scheduled to open on January 27, 2023, that will offer **academic enrichment, social-emotional learning, and post-secondary and career exploration**, including **English literacy support** for our English learners. LEAP advisors will also be available for all LEAP high school participants once they enroll in a college or other post-secondary institution through to graduation.

The goal of this public forum is to provide the LEHS Planning Team with **feedback and ideas** to ensure the successful launch of a high-quality, inclusive teen program at LEHS that meets the needs of the

community.

**WHY IS A NEW TEEN CENTER NEEDED:** Lynn is home to exceptional teens with many skills and talents but many lack access to the opportunities to pursue the future they want. LEAP and LPS aim to continue to close this opportunity gap with free, flexible, and comprehensive programming for teens.

**Join us! Your voice, feedback and support are needed.**

**Monday, December 5 at Lynn English High School**

starting at 6:00 PM.

**We look forward to seeing you and hearing your ideas!**
