## Promote your business and support students in your own community

LEAP for Education empowers underserved and first-generation-to-college students to succeed academically, professionally, and socially. We strive for a 100% graduation rate and a 90% post-secondary enrollment rate. This year, we will serve over 600 students from across Salem, Peabody and Lynn.

This year, our Great Expectations fundraising event will be held on April 12, 2023 at Danversport. This is a unique opportunity to donate an item or service to market your business and empower our community's underserved youth. All of the net proceeds from this event provide critical support for our programming, keeping programs at no cost to students and their families.
