

CALL FOR MENTORS

Leap for Education

LEAP'S SUMMER WORK PROGRAM IS LOOKING FOR 100 MENTORS:

Summer Work Program

LEAP's Summer Work Program is a 6 week long, soft skills and professional development program run by LEAP staff and hosted at Salem State University. Each Summer, students participate in career workshops, activity based learning, and pair one-on-one with a mentor to prepare for college and beyond.

Your Impact

Mentors are essential to our programming, we rely on mentors for career exposure, providing individual attention to improve student communication skills, and fostering healthy adult relationships.
